

Judge Beau Patterson Speaker, Trainer, Coach

After spending 30 years as a trial attorney and judge in the Colorado trial Courts, I started my speaking business using my problem-solving skills and life-lessons learned to infuse keynotes, seminars and workshops with **Leadership, Inspiration and Decision-making that blow the LID** off associations, organizations and groups.

What audiences are saying about Judge Beau Patterson

*“Our members and guests were left in awe of your professional, dynamic, enthusiastic and unique presentation. You gave each and every attendee the ability to increase their knowledge base and provided them with impetus and inspiration to apply creative **problem solving skills and techniques for life application.**”*

Gary Blackmon

*“The unvarnished truth of the matter is that **you were a smash hit with our team members!** Your lessons for life and experience from the bench hit home, and you inspired our team to break down the walls they’ve built up that hold them back.”*

Doug Oberhamer

Judge Beau’s most popular programs and topics:

Survival Tips for Leaders

Identifies the attributes necessary for effective decision-making and equips the team with tools to RISE to meet the organizational challenges.

The Laws of Persuasion-Sales Training
